

# **Akrotiri School**

## **Friday Feeling**

### **#038**

Friday 19 July

There is a great sense of satisfaction in reaching the end of the year; from being able to reflect on the collective successes of our children and curriculum to the individual achievements of pupils and staff. It has been a very engaging year and, as a team, we have continued to refine and develop what we do in order to give the very best opportunities to the pupils at Akrotiri School.

It is also a time of sadness as we say goodbye to staff and children who leave us. In our final assembly we acknowledged the huge impact that a number of staff have made to our school. Mrs McCool, Mrs Marshall, Mrs Cain, Mr Baxter, Mrs Sutherland, Mrs Van der Cruyssen, Mrs Byrne and Mrs Randall have all contributed tremendously and we thank you for your support and commitment to the school. Best wishes for the future.

To the children departing, you have left a legacy that lives on. Your part in our story is strong and your time 'in the spotlight' shapes the positive culture that we harness. Thank you and best wishes for the future. Thank you too, to parents for your support and engagement with the school – it is appreciated.

Finally, it remains for me to announce that 'School is out for summer!!'

Have a wonderful summer break,

Ben Turner  
Headteacher
